

St. Jude the Apostle Cathedral  
Cathedral Parish of the Diocese of St. Petersburg

July 22, 2018

Dear Parents,

Welcome to a new year of our parish's Youth Ministry programs! Along with the entire parish, and particularly our priests and core team, I am looking forward to working with you and your family this year in meeting the holistic needs of our young people.

Our Youth Ministry programs consist of Edge for middle school students (grades 6-8) and Life Teen for our high school students (grades 9-12). Life Teen and Edge empower young people to live as disciples of Jesus Christ in the world today, draw young people into responsible participation in the life, mission, and work of our community, and foster the total personal and spiritual growth of young people. Building upon the foundation established by our Fire program and in conjunction with the incredible work of the Cathedral School, Edge and Life Teen lead teens closer to Christ.

Edge meets on Wednesday evenings from 6-8 PM in the Youth Room, which is adjacent to the Cathedral School office along 58<sup>th</sup> St. N. Life Teen meets on Sunday evenings following 6 PM Mass until 9 PM, also in the Youth Room. (Please note that the parish also offers the Sacrament of Confirmation to eighth graders; registered Confirmation candidates are automatically enrolled for Edge as well at no additional cost or additional paperwork, and are encouraged to be active members of our Edge ministry.)

In this packet you will find the full schedule for Youth Ministry as well as information about our Safe Environment Policy and Code of Conduct and several forms that must be returned to the parish office as soon as possible. There will also be a presentation for parents on safe environment policies and procedures on Sunday, September 16 at 4:00 PM.

If you have any questions, comments, or concerns, please feel free to contact me. May God's blessings be with you and your family as we begin this new year!

Yours in Christ,

John Barron

## **Policy for the Protection of Children and Vulnerable Adults**

**Revised and Approved: July 2017**

# Diocese of St. Petersburg

## Policy for the Protection of Children and Vulnerable Adults

(Revised and Approved July 2017)

### I. INTRODUCTION

The Diocese of St. Petersburg is committed to the well-being of those served by the Church. The People of God have a right to be able to trust those who minister to them in God's name. The violation of this trust through Sexual Abuse by any Church Personnel is a source of great physical, mental and emotional pain for those involved and for the entire Church community. The Diocese published its first policy for the protection of Children and Youth on June 10, 1991, which required both Employees and Volunteers who work with Children and Youth in any parish or Catholic School program to complete written employment or Covered Volunteer applications respectively for service with accompanying references. Beginning April 15, 1992, the diocese required background screening and fingerprinting of all Employees who have the care, responsibility, and/or supervision of Children and Youth.

In July 1997, the Province of Miami required all dioceses to add Vulnerable Adults to the protected classes of Children and Young People. Background screening, reference checking, fingerprinting, and written employment and Covered Volunteer applications were now required of those desiring to work or volunteer with Children, Youth, and Vulnerable Adults. In November of 2001, contractors and vendors were added to the list of those requiring background screening. In June 2002, the United States Conference of Catholic Bishops (USCCB) adopted the *Charter for the Protection of Children and Young People (Charter)*, which required background screening and Safe Environment Program training for all who may have the care, responsibility, and/or supervision of Children and young people. The USCCB obtained confirmation by the Holy See for the *Essential Norms for Diocesan/Eparchial Policies* dealing with Allegations of Sexual Abuse of Minors by priests or deacons in November 2002. The Diocese of St. Petersburg revised its policy to comply with the *Charter* and the *Essential Norms* in December 2002 and again in May 2006 in response to the first revision of the *Charter* in 2005. The diocese publishes this revision as a response to the second revision of the *Charter* in 2011 and of its current policy as part of a continuing commitment to its pastoral responsibilities and to the gospel. This revised policy in combination with procedures and guidelines provides for the implementation and enforcement of a safe environment for our Children, Youth, and Vulnerable Adults.

### II. POLICY AND SCOPE

**A. Policy to Protect.** The Bishop of the Diocese of St. Petersburg will make every reasonable effort to prevent Sexual Abuse of Minors and Vulnerable Adults, and to respond promptly to all credible Allegations of abuse. As such, the Diocese of St. Petersburg will comply with all obligations of civil and canon law and will promote healing where it is needed, provide education, training and guidance when it is appropriate, and endeavor to prevent any Sexual Abuse of Minors and Vulnerable Adults with firm justice and mercy towards all. No person, including Clergy, who has been determined to have engaged in Sexual Abuse of a Minor or Vulnerable Adult, will be allowed to remain in active ministry. Such actions violate Christian principles and are outside the scope of duties and employment of all Church Personnel. The diocese will not tolerate such behavior. This policy applies to all diocesan entities and their

Contractors and Vendors to include parishes, schools, early childhood centers, and associated activities within the diocese. Care will always be taken to protect the rights of all parties involved, particularly those of the person claiming to have been sexually abused and the person against whom the charge has been made. When the accusation has been proved to be unfounded, every reasonable step will be taken to restore the good name of the person falsely accused.

**B. Policy to Respond to Allegations.** The Diocese of St. Petersburg will respond promptly to any Allegation where there is reason to believe that Sexual Abuse of a Minor has occurred. The diocese will utilize an objective outside investigator to investigate any such Allegations. The diocese will maintain a Victim Assistance Minister to coordinate assistance for the immediate pastoral care of persons who report Sexual Abuse incidents that occurred when they were Minors by Clergy or other Church Personnel. The procedures for those making a complaint are readily available on the Internet via the Diocese of St. Petersburg website at <http://www.dosp.org/safe-environment/how-to-file-an-abuse-complaint/>

**Toll Free Contact Number for the Diocesan Victim Assistance Minister: 1-866-407-4505**

**C. Policy to Report.** The Diocese of St. Petersburg will report an Allegation of Sexual Abuse of a person who is a Minor or Vulnerable Adult to the appropriate civil authorities. The diocese will comply with all applicable civil laws with respect to the reporting of Allegations of Sexual Abuse of Minors and Vulnerable Adults and will cooperate in the civil authorities' investigation in accord with Florida state law<sup>1</sup>. The diocese will cooperate with civil authorities about reporting cases even when the alleged victim is no longer a Minor. In every instance, the diocese will advise those who allege abuse of their right to make a report to civil authorities and support this right.

**Call in all reports of actual or suspected abuse to the local law enforcement agency (911) or to the state Department of Children and Families (DCF) Abuse Hotline Registry: 1-800-96ABUSE (1-800-962-2873).**

Any person who knows or suspects child abuse, abandonment, or neglect and who knowingly and willfully fails to do so, or who knowingly and willfully prevents another person from doing so, commits a felony of the third degree, punishable by one year in jail and a \$5,000 fine.

**D. Policy on the Diocesan Review Board.** The Diocese of St. Petersburg Diocesan Review Board functions as a confidential consultative body to the bishop. The majority of its members will be lay persons not in the employ of the diocese in accordance with *Essential Norms for Diocesan/Eparchial Policies Dealing with Allegations of Sexual Abuse of Minors by Priests or Deacons, 2006*. This board will assist the Diocesan Bishop in assessing Allegations and fitness for ministry, and will regularly review Diocesan Policies and Procedures for dealing with Sexual Abuse of Minors and Vulnerable Adults. Also, the Board can act both retrospectively and prospectively on these matters and give advice on all aspects of responses required in connection with these cases.

**E. Policy on Removal of a Priest or Deacon from Ministry.** Sexual Abuse of a Minor by a cleric is a crime in the universal law of the Church (*CIC*, c. 1395 §2; *CCEO*, c. 1453 §1). Those who habitually lack the use of reason, regardless of age, are to be equated with Minors (*CIC*, c.99). The Congregation for the Doctrine of the Faith (Motu proprio, *Sanctissimum sanctitatis tutela*, 2001, revised 2010) has reserved this jurisdiction because of the seriousness of this matter. Even after a single act of Sexual Abuse of a Minor— whenever it occurred—which is admitted or established after an appropriate process in accord with canon law and the *Essential Norms*, the offending priest or deacon is to be permanently removed from ministry and, if warranted, dismissed from the clerical state. If an Allegation of Sexual Abuse of a Minor is made against the bishop, the Apostolic Nuncio shall be notified and the investigation shall proceed according to his direction. The Diocese of St. Petersburg will follow the requirements of the universal law of the Church and the *Essential Norms*

approved by the USCCB, along with all state and federal laws concerning the protection of Children, Youth and Vulnerable Adults.

**F. Policy on the Standards of Ministerial Behavior.** The Diocese of St. Petersburg will maintain standards of ministerial behavior and appropriate boundaries for Clergy and for any other paid personnel and Volunteers of the church in positions of trust who have the care, responsibility, and or supervision of Children, Youth or Vulnerable Adults. This policy can be viewed on the diocesan website at <http://www.dosp.org/safe-environment/wp-content/uploads/sites/22/Practical-Standards-of-Professional-Responsibility-for-Priests-.pdf>

**G. Policy on Communications.** The Diocese of St. Petersburg will be open and transparent in communicating with parish, other church communities, and the public about Sexual Abuse of Minors and Vulnerable Adults within the confines of respect for the privacy and the reputation of the individuals involved.

**H. Policy on Distribution.** A copy of this policy will be distributed to all diocesan entities in printed form for posting to the general public. This policy will also be posted on the diocesan website at <http://www.dosp.org/safe-environment/policy-for-the-protection-of-children-and-vulnerable-adults/>

**I. Policy on Background Screening.** The Diocese of St. Petersburg require that all Church Personnel, candidates for ordination, Contractors, and Vendors who may have the care, responsibility, and or supervision of Children undergo a Level 2 FDLE/FBI Criminal History Background Screening, currently using the Volunteer, Employee Criminal History System (VECHS) and must meet the Diocese of St. Petersburg Minimum Standards of Moral Conduct. Employees must also receive a Level 2 background check as a condition of employment. The Safe Environment Program Office is responsible for administering the background screening function for the diocese.

The FBI requires that background checks only be used for the purpose intended. Therefore, the diocese does not accept FBI background checks or background checks run by other entities for other purposes. The diocese does not accept proof of Level 2 background checks or letters from other entities certifying a Level 2 background check.

All Church Personnel, candidates for ordination, Contractors and Vendors who may have the care, responsibility, and or supervision of Children will be required to undergo a Criminal History Background Screening conducted by the Florida Department of Law Enforcement (FDLE) and the FBI Volunteer & Employee Criminal History System (VECHS) every five years.

Church Personnel who move from one entity to another within the Diocese of St. Petersburg with no break in service must submit a personal request in writing to the Safe Environment Program Office asking that proof of his or her background check be transferred from the losing entity to the gaining entity or entities. If there is a break in service, a re-screening must take place.

Background Screening Reports and Clearance Letters for employees and covered volunteers will be secured in locked containers at the respective parishes, schools, or other diocesan entities. Only the parish pastor, the school principal, diocesan entity head or their specifically-authorized delegates will have access to these records.

Copies of Contractor Criminal History Records and Background Screening Reports will be kept on file and secured at the Diocesan Safe Environment Program Office. Contractor/vendor employers will only receive clearance or non-clearance letters for their employees.

**J. Policy on the Diocesan Safe Environment Program (SEP) Training.** Under Article 12 of the *Charter*, the Safe Environment Program Office is responsible for the administration of Safe Environment

Program Training. The Diocese of St. Petersburg will require SEP training of all Church Personnel, Contractors, Vendors, and candidates for ordination who may have the care, responsibility, and or supervision of Children, Youth or Vulnerable Adults. These individuals must complete the required SEP training, which is offered online. This training expires five years from the initial date of training and also qualifies the recipient for employment or volunteer ministries which involve the care, responsibility, or supervision of Vulnerable Adults. SEP training re-certification is required every 5 years thereafter.

Extraordinary Ministers of Holy Communion to the Sick and Homebound and Pastoral Care Providers who wish to have the care, responsibility, and or supervision of Vulnerable Adults must complete the online Safe Environment Program, in addition to the training required for those who exercise this ministry. This training expires 5 years from the initial date of training and also qualifies the recipient for employment or volunteer ministries which involve the care, responsibility, or supervision of Children. SEP re-certification is required every 5 years thereafter.

The diocese does not accept safe environment program training from other archdioceses, dioceses or eparchies because state laws, policies, procedures, and program jargon differ. Individuals coming into the Diocese of St. Petersburg must complete the online Safe Environment Program training.

The Safe Environment Program Office will oversee training and education in cooperation with parents, civil authorities, educators, and community organizations. It will require education and training for Children, Youth, parents, ministers, educators, Volunteers, Contractors and Vendors to make and maintain a safe environment for Children, Youth and Vulnerable Adults.

The Diocesan Safe Environment Program Office is also responsible for maintaining a central database that will track the training and background screening status on all program participants. Appropriate staff members of parishes, schools and other diocesan entities are to inform those persons requiring 5-year recertification training prior to the expiration of their 5-year certification period.

## Code of Conduct: Children & Youth

### Code of Conduct for Children and Youth

The first premise of this code is that children and youth function best when behaviors and expectations are clearly defined. It is accepted that parents are the first and foremost educators of their children in all aspects of their development. This experience aims at developing upright citizens and good Christians, following the new commandment Jesus gave His disciples, "A new commandment I give unto you that you love one another." (John 13:34-35)

In Timothy 4:12 we read "***Let no one have contempt for your youth, but set an example for those who believe, in speech, conduct, love, faith and purity.***" Timothy is urged to rely on the gifts he has received from God. This code urges our children and youth to rely on God's gifts to them, especially charity, chastity and purity. This calls the young person to acknowledge and promote one's personal dignity and the rights that go with it.

It becomes important for children and youth to know the difference between "right" and "not right" relationships. "Right" relationships foster personal, spiritual, and emotional growth, e.g., the ability to communicate, to forgive, to show affection, to be honest, vulnerable, dependable, etc. "Not right" relationships become harmful and hurtful, and even abusive. Abuse occurs when someone does not respect another's boundaries, uses power, tricks, threats, or violence to cross or change another's boundaries, or inflicts hurtful or unwanted behavior (physical, verbal, emotional, or sexual) on another person.

This code is used in conjunction with existing local or diocesan policies, protocols or other codes and is not intended to supersede them.

When engaging in formal and informal activities, functions, and programs, children and youth are expected to behave appropriately at all times, respecting the rights of others.

1. Christian behavior is expected at all times.
2. Respect for individuals, the community and facilities being used is required.
3. Cooperation and self-control are necessary when participating in programs and activities.
4. Dress must be in accord with the activity and appropriate for a Christian environment.
5. Unacceptable behavior and lack of cooperation will not be tolerated, but will be addressed appropriately. Examples of unacceptable behavior are as follows, though not limited to:
  - a. disrespect for adults and peers
  - b. use of vulgar language or gesture, use of racial slurs
  - c. damaging of property
  - d. fighting or intent to injure others
  - e. constant disturbance of others at work or in an activity
  - f. cheating
6. Possession of weapons, possession, sale or use of alcohol or drugs are forbidden.
7. No child or youth has the right to treat another in any manner that will cause physical or emotional pain. Therefore, harassment of any kind is unchristian and unacceptable.
8. Coercion or threats to do something physically hurtful or for the purpose of exposing someone

or something about another is unacceptable behavior.

9. Chastity is a virtue to be held in high esteem and promoted in practice. Sexual abuse of any sort, coercing a person to engage in sexual acts against her or his will, physically touching the sexual parts of another's body, treating a person like a sexual object are unacceptable and abusive behaviors. Consensual sex between students or initiated by minors to adults must never occur.
